Vice Chancellor's Message

Dear International Students,

It gives me immense pleasure to extend a hearty welcome to all the International Students who wish to pursue Professional/Post-Graduate/Research Programs in Acharya Nagarjuna University. Acharya Nagarjuna University provides an opportunity to explore limitless options in higher education at an affordable cost in a friendly environment. I appreciate your decision in choosing our University as your destination for higher education.

The University enjoys a worldwide reputation for excellence in teaching and research. The University offers excellent opportunities for study in a peaceful environment. The University believes that students from different countries and cultures make it a global place of learning.

The University had the privilege of hosting students from Bhutan, Nepal, Myanmar, Panama, Tanzania, Thailand, Ethiopia, Iraq, Nigeria, Mali, Laos, Vietnam, Libya, USA, Oman, Saudi Arabia, Sharjah-UAE, Muscat, Bahrain, Korea, Canada, Afghanistan, De Cote D'ivoire, Eritrea, United Kingdom, Qatar and South Africa. All the students from these countries have successfully completed their Programs and are now the Brand Ambassadors of our University. Acharya Nagarjuna University achieved 126 International Ranks, 32 National Ranks, 3 Certifications, 02 Records, 05 Awards (02 Green University Awards and 01 AP State Energy Conservation Award) in total 168 from well reputed freely delivered ranking organizations like TIMES HIGHER EDUCATION, QS, NIRF, UI GREEN METRICS, QS I-GAUGE, SCIMAGO, INDIA TODAY, THE WEEK, EDUCATION WORLD, UNIVERSITY GURU, GREEN MENTORS, SECA, etc. in different categories from 2019 to 2024.

As a goodwill gesture of meeting the educational aspirations of students from member countries of SAARC, we have provided concession in tuition fee. Similarly, to encourage Buddhist Monks, a special fee concession has also been given as a tribute to Acharya Nagarjuna. With this objective in mind, the University has established "International Students Cell", and an exclusive International Hostel to look after the needs of foreign students.

I take privilege in promising that ANU has succeeded in creating Home Away from Home.

With best wishes,

(K. GANGADHARA RAO)

3. Admission Procedure for International students

3.1. Admission of Foreign students through SII Portal

The Study in India (SII) portal (www.studyinindia.gov.in) facilitates the foreign students to apply for admissions and receive offer letters from Higher Educational Institutions (HEIs) registered on the portal. From the Academic year 2025-26, it is mandatory for all foreign students coming for higher studies in India to Register on the Study in India (SII) portal (<https://www.studyinindia.gov.in/admission/registrations>) and generate an Unique SII ID. Students will only be granted Student visa & E-student Visa only if they have Unique SII ID. This Unique SII ID generated must be quoted in their visa applications. To proceed for their visa application process, they will have to apply via Indian visa portal. This SII ID will be the main tracking ID for foreign students from their complete student journey.

The University will follow the admission process of the foreign student after receiving the application registered for admission on SII portal including all necessary supporting documents. Upon confirmation of admission, student has to pay the prescribed fee to the University, then the foreign student is eligible for E-Student visa as well. The University's confirmation of the student's fee payment supports the visa verification process, without which student might not be granted the visa.

Ministry of Home affairs (MHA) has introduced e-Student visa facility to foreign students who are eligible for S-1 and S-3 student visa as well as registered on SII portal. MHA has also introduced e-student X visa facility to the dependents of those coming under the aforesaid e-Student visa.

For applying to visa online, follow the steps as under:

1. Visit the website <https://indianvisaonline.gov.in/visa/index.html> and fill the required information/details.
2. The student is required to fill all the details correctly as filled in the SII application form and pay the required/applicable visa fees.
3. Visa fees may be paid through online via Credit/Debit card/Payment Wallet.
4. Study in India ID (SII ID) is mandatory to apply for online student visa.

Joining Report of the International scholar shall be intimated by Director, International Students Cell to the concerned Head of the Department, the Principal of the College and the Supervisor. The International scholar shall finalize the topic of research in consultation with the research supervisor and communicate the synopsis of the project to be undertaken to the Head of the Department of the faculty.

The date of reporting of the international students to the Director, International Students Cell shall be the date of joining into the program. The annual tuition fee payable is counted from the date of joining.

The International students are required to obtain Bonafide Certificate from the Director, International Students Cell and apply for Residential Permit to the Foreign Regional Registration Office (FRRO) located in the office of the Superintendent of Police, Guntur.

The International students are also instructed to submit a copy of the Residential permit in the office of ISC, ANU immediately after obtaining the same from the office of FRRO, Guntur, failing which their admission process will not be complete.

The international students are requested to note that the duration of the Ph.D program, syllabus, pre-Ph.D. examination, seminars, procedure for thesis submission and evaluation are same as that of the ANU Research Regulations. However, some of the salient features are briefly outlined below for the benefit of international students:

- I. Ph.D admissions to the international students are given round the year and are exempted from any entrance examinations.
- II. Their admissions are based on their scores in the qualifying examination/GPA Grade.
- III. Admissions will be processed by the international student cell and the admitting authority will be the Principal of the concerned College.
- IV. The duration of the program, Pre-Ph.D. examination, the syllabus, seminars, thesis submission procedure, evaluation etc. are as per ANU Research Regulations / guidelines in vogue from time to time.

Tenure of the Program:

The period of research program for full-time international scholars is minimum three years from the date of their joining the program and maximum period allowed is five years. For the benefit of the international students, provision has been given by the authorities to submit the thesis after completion of two years with the approval of their respective Department Research committee. If a candidate could not complete his Ph.D. program even after the stipulated maximum time, his/her case for extension of time can be considered only for a valid reason. Such cases shall be recommended by the Supervisor and forwarded by the Head of Department if it is a valid reason. The Vice-Chancellor may consider his / her request based on the recommendations of the Principal concerned. With the approval of the Vice-Chancellor, the candidate may be permitted to submit his dissertation / thesis within one year by paying prescribed fee. If he/she fails to submit the thesis within the extended period of one year, he/she shall not be permitted any further extension and shall have to go for re-registration through Head of the Department and Principal concerned. The Vice-Chancellor is the only authority to permit a candidate for re-registration or not. The request for the same may be forwarded through the Director, International Students Cell (ISC). The registration of international scholars shall stand cancelled after the expiry of the extension period.

Part-Time Research: All candidates applying for research programs will be admitted for full-time research. There is no provision for part-time research in the University for International students.

Pre-Ph.D. Examination: The International students are allowed to appear for the next immediate pre- Ph.D. Examination after the date of joining in the Department, basing on their eligibility. The medium of Examination is English only.

Syllabus: The syllabus for the Pre-Ph.D. Examination is same as for the local students and the details of which can be had from the respective Departments.

Mode of Examination: The candidate will have to appear for the following three papers and seminar and qualify as per the rules of University:

Paper I : Research Methodology

Paper II : Advances in concerned discipline

Paper III : Specialization paper

Paper IV : Seminar Presentation - the nature of the seminar to be presented is same as applicable to the local students.

Final Submission of Thesis: As soon as the work is completed, the entire work has to be presented in the form of thesis and the write-up is only in English and submitted to the Coordinator, Research Cell along with the prescribed application form. The guidelines laid down for the university 'Ph.D. Regulations', shall be adhered to while preparing the thesis. Also, at the time of submitting the thesis, the tuition fee and any other payments have to be cleared and a 'No Dues' certificate from the Director, International Students Cell (ISC) has to be submitted to the Coordinator, Research Cell.

Adjudication of the Thesis and Viva-Voce Examination: The procedures are same as applicable to the local students.

4.3. ANU College of Pharmaceutical Sciences

Pharmacy Education and practice has unique place in the society which encompasses the developments in scientific research, industry and practice. It is a health profession linking the health sciences with chemical sciences in order to provide safe and effective administration of pharmaceutical drugs. Pharmacy professionals are therefore the experts on drug delivery and application whose role is becoming more and more responsible in the contemporary world in the manufacturing , counseling and administering the formulations for positive results. With this motive university is marching ahead to provide world class seat of quality education and research in pharmaceutical sciences, and offering B.Pharm and M.Pharm Programs. The University has about 19 affiliated Pharmacy colleges imparting training at B. Pharmacy level with a few of them having M.Pharmacy program besides Pharm D program.

It is conducted in order to bring out the artistic and innate talents of the foreign students. It not only helps to understand various foreign cultures but also becomes a stage for cultural exchange. On this occasion, students from different countries exhibit their cultural events in a most colourful and entertaining manner. The students perform songs, dances, skits, etc., on this occasion.

International Youth Festival: Every year on the eve of International Youth Festival, competitions in Sports & Games are conducted for the International Students. Competitions like Badminton, football, table tennis, Volleyball, etc., are conducted and prizes are distributed to the winners.

6. Conduct and Discipline Rules

Under the policy of the university, students enjoy the greatest degree of liberty consistent with high academic standards and orderly conduct. Each student is expected to conduct himself in such a manner as to uphold the good reputation of the University (and his/her fellow students).

At the same time, he/ she should be conscious of his/her responsibilities imposed by the law and the ideals proclaimed by the University. It is presumed that all students, as members of this Institution of the highest learning understand that maturity, responsibility due regard for rights of others are prerequisites of liberty. The following rules are to be observed by the students for cherishing the noble cause of the university.

Each student is required to punctually attend all lectures, practical classes and tutorials held on each working day. A student who disturbs the lecture or behaves indecently in a class may be expelled from the class by the teacher. A student so expelled shall be deemed to be absent for the day.

Every student shall possess the necessary books and other articles required to pursue his/her studies in the university. Every student who borrows books or any other equipment is responsible for their preservation in good condition and in the event of their being lost or damaged. He/she shall be required to replace them or defray their cost. Any student who breaks or damages university's property shall be required to pay the cost of the repair or replacement. In case of willful damage, he/she shall also be punished in such a manner as the Principal may think fit. The student may not be required to pay the cost of any article which he damages if the teacher-in-charge certifies that the breakage is not due to any negligence on the part of the student.

The student shall submit all communications intended for various purposes only to the Principal through the head of the Department. The Principal will submit them to the higher authorities, if he considers it as required. Every student shall wear a clean and decent dress approved by the Principal. Each student is required to help the administration in keeping the class rooms and premises tidy. Smoking by students in the university premises is prohibited. Students are prohibited from organizing meetings or entertainment programmes in the campus or collecting money for any purpose without the prior permission of the Principal.

Consumption of alcohol or other intoxicating drinks, drugs on the campus or entering the campus in a state of intoxication is prohibited and violation of this rule shall attract serious disciplinary action.

Students shall not hold meetings for criticizing the policies and actions of the university or college authorities. Such meetings shall be deemed to be unlawful and the Principal might take such action as he considers necessary to prohibit such meetings or to punish the offenders and in case he considers it necessary / serious he may report the matter to the Vice-Chancellor.

The Principal may prohibit the students from attending political or such other meetings if he apprehends a breach of peace in the campus. The students who act as volunteers in social services activities taken up in connection with a political meeting should not participate in the proceedings of such meetings. The volunteers shall on no count be used for political purposes.

The Heads of the Departments shall inform, whenever necessary, the Director, ISC, about the students who are irregular and do not show any progress in their studies or whose attendance is very poor or whose conduct is dissatisfactory. The names of students who are found incorrigible even after warnings may be removed from the rolls after intimation to the respective embassies.

The names of students of the university college who is on strike or found guilty of serious indiscipline shall automatically be removed from the rolls and they shall not ordinarily be readmitted and in no case with retrospective effect.

Organizing any religious meeting / function / display of religious symbols in a public or open place in the university campus, including hostels, is strictly prohibited. Any violation of this rule shall be construed as an act of indiscipline and disciplinary action will be taken against persons concerned apart from initiating appropriate legal proceedings.

Students going on strike or in any way guilty of serious breach of discipline, if they are residents of the attached hostels, shall be required to quit the hostels at 12 hours notice and they shall not ordinarily be readmitted to the privileges of residence in the hostel. In case they are readmitted, they shall pay admission fees.

Students indulging in any violent activities, voluntarily or under, coercion, direct or indirect, or found pressurizing the college or university authorities to meet their demands will be punished by the university in accordance with the existing rules and regulations.

The Principal may, on the recommendation of the Head of the Department, or otherwise inflict the following punishments in the interests of the students or the institution: fine, loss of attendance, loss of term, suspension, expulsion; or such other action as deemed necessary for the maintenance of discipline on the campus.

Ragging in any form in the university premises is considered to be an offence punishable under law. Ragging in its present form is a deliberate dehumanization of the human values and the culture of living together with a purposeful goal. Ragging both in and outside the campus has been banned. Students involved in any form of ragging will be expelled from the institution by the principal and they will be subject to punishment as per civil law.

7. Disclaimer Clause

All the International Students may note that in spite of the sincere efforts made by the University to adhere to the almanac, curriculum, timetable, schedules, etc., framed by the University for the academic year concerned, for any dislocation or disturbance caused to the same due to any act of God, natural calamity or public demonstrations / strikes / movements, the University shall not be responsible for any loss, actual or perceived that might be caused to the International Students.
