To
The Principals of all Affiliated Colleges,
Acharya Nagarjuna University.

Sir/Madam,

Sub: - Free e-learning software A-VIEW from MHRD – Reg.

The Ministry of HRD is administrating a centrally sponsored plans scheme namely National Mission on Education through Information and Communication Technologies (NME-ICT): Under the scheme one of the components is to provide E-learning Software to connect all the Universities and Colleges across the Nation.

For this purpose A-VIEW (Amrita Virtual Interactive E-Learning World) free software has been chosen and Amrita E-Learning Research Lab (Amrita University and IIT Bombay) has been assigned the responsibility of developing and deploying software national wide.

A-VIEW Classroom is a framework that provides a rich interactive social environment for E-Learning. It is simple, user friendly video conferencing software, which provides a great opportunity to a teacher to teach in a live interactive mode to various geographical locations across India.

A-VIEW Classroom provides opportunity to connect several universities together and creates virtual world for students. It also acts as a Knowledge Cafe where students can discuss /chat about the lecture after the live class.

It enables face – to – face interaction (and multi user) usage of digital board, share documents online, allows the teacher to share multimedia content like 2D/3D animations and online videos with students. Lectures can be recorded for future use and reference. It can be downloaded free of cost from www.aview.in. The following minimum hardware may be required for implementing the A-VIEW software.

No.	Item	Configuration	Qty
1.	Computer	1 GB Ram, Intel Core 2 Duo / processor, Windows XP/Vista/Windows 7 OS	1
