

Invitation to all old students, faculty and supporting staff of Botany & Microbiology department to participate in Golden jubilee celebration on 18th January.

It is hereby informed that our department has completed 50 years after its inception. Owing to this, we have planned to organize Golden jubilee celebrations on 18.1.2018 at Balamohan Das seminar hall of our auditorium. Hence all of you are warmly welcomed to join with us for cherishing our old memories with our department and to establish a network in academic and professional fronts. The golden jubilee celebrations involve felicitations of our retired teachers, release of souvenir, plantation at our Botanical garden and cultural activities. Each and every one of you are requested to participate in this mega event and make it a grand success.

Dr. Ammani. K

Coordinator, Dept. of Botany & Microbiology
