University at a Glance

Acharya Nagarjuna University was established in 1976 and has been constantly striving towards achieving progress and expansion during existence for three decades. It was inaugurated on 11-9-1976 by the then President of India Dr. Frakruddin Ali Ahmed. University was named after the famous Buddhist Scholar, Philosopher Acharya Nagarjuna who was regarded as the Second Buddha. University was spread over about 300 acres of land on the National high way (NH-5) between Vijayawada and Guntur in Andhra Pradesh with campus student strength of over 5000. The university offers UG (Professional), PG and Ph.D. programmes spread over 6 campus colleges. It also offers 153 UG programs in 412 affiliated colleges. It has Centre for Distance Education offering 87 UG and PG programs. The university provides excellent infrastructure and on – campus facilities such as central library with over one lakh books and 350 journals, computer centre, scientific instrumentation centre etc.

About the College

A.N.U College of Pharmaceutical Sciences was established in the academic year 2010-2011 with a plinth area of around 50000 sq. ft and construction cost of 7.50 crores. The college offers both B. Pharm and M. Pharm which are approved by AICTE and PCI, New Delhi. The College is providing research facilities leading to Ph.D. degree in Pharmaceutical Sciences. It is one of the renowned educational institutions with quality education & effective teaching, learning methodologies. Its main concern is to motivate and encourage the student community to face the challenges in the present society in order to build up their career in a greater way. The college has the state of art laboratory with sophisticated instruments such as IR spectrophotometer, semi – auto analyzer, stability chamber, freeze dryer, 10 – stage rotary tablet punching machine, refrigerated centrifuge etc. and library with good number of books and journals, animal house as per CPCSEA guidelines & herbal garden.

Projects

The college has obtained two major research projects from AICTE and UGC worth of Rs. 26,00,000/- to strengthen the research activities at the campus college.

The college offers

B.Pharmacy

- M.Pharmacy** :
- Pharmaceutical Chemistry
 - Pharmaceutical Analysis
 - Pharmaceutics
 - Pharmacology
 - Industrial Pharmacy

Ph.D. : Full time & Part time

Skill Development Programs

- First Aid and Ambulance Services
- Pharmacy Practice and Drug Store Management

Scope and Objective of Workshop

1. To discuss the pros and cons in the current Pharmaceutical research.
2. To explore the latest technological advancements relevant to the field.
3. To provide knowledge on the emerging software applications for better conduct and outcome of research.
4. To demonstrate the usage of some vital software tools and discuss their applications.
5. To provide platform among the delegates to share and confer their experience and knowledge.
6. To encourage young professionals to carry out quality research with the aid of software applications.

Workshop Highlights

Various plenary sessions by eminent speakers of Academic and Industry sector on

- o Current status of Pharmaceutical Research in India
- o Potential software for various disciplines in pharmacy
 - Pharmacokinetic studies
 - Molecular designing
 - Clinical Research
 - QbD

Participants

- o Students : B. Pharm, M. Pharm and Ph.D
- o Academicians
- o Industry Professionals

Fee Details

Rs. 400/- for each participant. The registration fee should be sent by a crossed D.D drawn in favour of, The Workshop convener, A.N.U College of Pharmaceutical Sciences, payable at Acharya Nagarjuna University on or before 21st March 2016

Important Dates:

Last date for registration: 21st March 2016

Dates of Workshop : 28th & 29th March 2016

Instructions for participants

1. Enrollment restricted to 200 participants only.
2. Participation certificate will be awarded at the end of the workshop.
