**About Workshop**

The aim of this workshop is to provide a platform for dissemination of latest trends and research contributions in Research Methodology and R-Programming. It creates an opportunity of making interaction between experts and research scholars. In addition, the seminar will have discussions on some open research problems arising in various branches of sciences and engineering.

**About Acharya Nagarjuna University**

Acharya Nagarjuna University, a state university established in 1976, has been constantly striving towards achieving progress and expansion during its existence for over four decades, in terms of introducing new courses in the University Colleges, affiliated colleges and professional colleges. Spread over 300 acres of land on the National High Way (NH-5) between Vijayawada and Guntur of Andhra Pradesh, which is declared as state capital of Andhra Pradesh, the University is one of the front ranking and fastest expanding Universities in the state of Andhra Pradesh.

**About International Students Cell (ISC)**

The university has established an International Students Cell (ISC) to cater to the needs of foreign students. It is headed by a Director, who is in constant contact with the International Institutions /organizations such as the Embassies/Consulates of the foreign countries for providing required information for the benefit of the prospective foreign students. It provides single window system to facilitate the international students with all kinds of services that they require. ISC is a host to students from several foreign countries like Nepal, Bhutan, Myanmar, Tanzania, Ethiopia, Iraq, Panama, Vietnam, Libya, Mali, Laos, Thailand, Oman, Saudi Arabia, USA, Nigeria, South Korea, Canada, United Arab Emirates etc., studying in various facilities.

The International Students Cell (ISC) in ANU has the following main activities:

- ☞ Admissions of International Students in the University Campus Colleges and Affiliated Colleges;
- ☞ Facilitating Collaborations with foreign universities, for jointly offering twinning programs, dual degree programs and integrated degree programs.
- ☞ Training the students in foreign languages through Centre for Foreign Languages
- ☞ Designing / developing ANU online courses, on the lines of MOOCs.
