CONTRACTOR**DEPUTY EXECUTIVE ENGINEER**

ACHARYA NAGARJUNA UNIVERSITY NAGARJUNA NAGAR

Terms and Conditions for “Paintings to inside walls of Bio - Technology and Physics Department in ANU Campus” on contract basis.

1. Tenders should be in the prescribed form and the tender schedule can be downloaded from the University Website and also obtained from the Office of the Deputy Executive Engineer, ANU Campus on all working days with crossed Demand Draft for Rs.1,145/- from any nationalized bank towards cost of each Tender Schedule.
2. The dates stipulated in the tender schedule are final. Under no circumstances can they be relaxed. However the University reserves the right to extend the time if circumstances warrant it.
3. The Cost of the tender schedule once remitted will not be refunded under any circumstances.
4. EMD of 1% on ECV i.e. Rs.3,600/- for the above work shall be paid through D.D drawn in favour of Registrar, Acharya Nagarjuna University and enclosed to the tender, failing which the tender will be rejected.
5. The EMD will be refunded to all the unsuccessful tenderers soon after deciding the tenders or on expiry of tender validity period i.e., 90 days whichever is earlier and the EMD amount will not carry any interest.
6. The period of contract is **One Month** from the date of handing over of the site.
7. The defective liability period is **One year** from the date of completion of the work.
8. The Registrar, Acharya Nagarjuna University, reserves the right to reject any or all the tenders without assigning reasons therefore.
9. The Contractors have to put their tenders in the tender box placed in the Registrar’s room on the last date for submission of tenders prescribed in the tender notice. Tenders submitted through post shall be rejected.

CONTRACTOR

DEPUTY EXECUTIVE ENGINEER

- 10. The Tenderer should submit the tender in two parts in two different sealed covers. Cover–A and Cover–B. The cover A shall contain the certificates mentioned at clause 15 along with Terms and Conditions pages 1 to 15 of Tender Schedule. The cover B shall contain the financial bid page 16 of Tender Schedule for the work in question. The cover A and cover B will be sealed and kept in another sealed envelope (cover-C) supplied by the Department while issuing tender schedule.**
- a. The cover C will be opened in the presence of the tenderers or their authorized representatives and other officials concerned on the specified date and time and also to verified whether the cover –A and cover-B are properly sealed and minutes be recorded to this effect then and there only. Incase the Cover –A & B or any one of them found unsealed, such tenders will not be opened and summarily rejected.**
 - b. Cover –A contain Technical Bid will be opened in the presence of the tenderers or their authorized representatives and other officials concerned on the specified date and time. After scrutiny of the Technical Bid, the Financial Bid of those tenderers who are determined as qualified as per eligibility criteria will be opened on the date specified in the tender notice, and the Cover –B of the unqualified tenderers will not be opened and kept in the safe custody till the tenders are finalized and there after shall be returned to them along with EMD.**
 - c. The University will finalize the tenders as per the lowest tender percentage (Excess/Less on ECV) quoted by the tenderers in the Financial Bid (Page No.16).**
 - d. If two or more tenderers quoted same prices towards service charges in the Financial Bid, those tenders will be finalized on lottery system.**
11. Tenders may be submitted by the Contractor either in person or through an agent.
12. The tenderer who withdraws an offer within the validity period mentioned in the schedule will **forgo** the EMD.
13. If due to any reason the office remains closed on the last date of receipt of tenders specified in the tender notice, the tenders will be received on the next working day at the same time and venue and the tenders will be opened on such next working day at the prescribed time.

CONTRACTOR

DEPUTY EXECUTIVE ENGINEER

14. The tenderer is liable to be disqualified if the contractor is found to have misled or furnished false information in the forms/statements/certificates submitted. Even after award of tender if it is found that contractor had produced false, fake certificate of experience, the contract will be terminated.

Intermediate/final bill will be paid to the contractor only after receipt of the report from the Quality Control Wing of R&B.**

CONTRACTOR

DEPUTY EXECUTIVE ENGINEER

Special Conditions

Directions to parties Tendering

1. A list of materials proposed to be supplied by University and the places where and the prices at which they are proposed to be supplied is given at the end of the schedule accompanying to the tender notice. This should be entered by the tenderer also at the end of the schedule accompanying the tender. Tenderers must accept these materials at the specified prices and quote for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials the change to the party executing the work will remain as originally entered in the agreement. If, at any time subsequent to the execution of this agreement, University materials other than those specified in agreement are to be supplied to the piece worker for use on the work, they will be charged at the market value prevailing at time of supply or stock issue rate whichever is greater. The piece worker will be informed in writing of this change and he should intimate in writing the rate which he demands for finished work in view of the fact that he is to use University materials. No cartage or incidental charges will be borne by University in connection with the supply of materials referred to in this paragraph.
2. Subsidiary items such as water for work, clearing and marking out site, hire of tools and plant should be separately entered. If such items are not so entered, it will be assumed that the rate quoted in the schedule include provision for them also.
3. The tenderer shall examine closely, the Andhra Pradesh detailed standard specifications, and also the relevant clauses of the standard preliminary specifications contained, therein, and sign the University Office copy of the Andhra Pradesh Detailed Standard Specifications and its agenda volume in token of such study before submitting his tender unit rates which shall be for finished work in situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer.
4. Each tenderer just also send a certificate of Income Tax verification from the appropriate Income Tax authority in the form prescribed therefore. This certificate will be valid for one year from the date of issue for all tenders submitted during the period. In case of proprietary or partnership firm, it will be necessary to produce the certificate aforementioned for the proprietors and for each of the partners, as the case may be. If a certificate has already been produced by the tenderer during this period, in respect of a previous tender, it will be sufficient, if particulars regarding the previous occasion on which the said certificate was produced are given. All tenders received without a certificate as aforementioned are liable to be rejected.
5. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The name of quarries kilns, etc. where from certain materials are to be obtained will be given in the descriptive specification sheet. The best class of materials to be obtained from the quarries, other sources defined shall be used in the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in this standard specifications of this tender notice, or as required by the Deputy Executive Engineer, of the Acharya Nagarjuna University, Nagarjuna Nagar, Guntur having jurisdiction for the time being over the work, herein after called the Deputy Executive Engineer shall be submitted for the Deputy Executive Engineer's approval before the supply to the site of work is begun. If the Contractor after examination

CONTRACTOR

DEPUTY EXECUTIVE ENGINEER

of the squire of materials defined in the descriptive specification sheet is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the descriptive specification sheet he shall so state clearly in his tender and state where from he intends to obtain materials subject to the approval of Deputy Executive Engineer. Attention of the piece worker as drawn to the standard "preliminary specification" regarding payment of seigniorage tools etc.,

- 6. The tenderer should quote specific rates for each item in the schedule, and the rates should be Rupees and single paisa. The Units and rates should be written both in words and figures. The schedule accompanying the tender shall be written legibly, and free from erasures, overwriting or conversions of figure. Corrections where unavoidable, should be made by crossing out, initiating, dating and regretting. No alternation which is made by the tenderer in the agreement form the conditions of agreement the drawings or specifications accompanying same will be recognized and if any such alternations are made, the tender will be void.
