About Acharya Nagarjuna University

Acharya Nagarjuna University is a state university established in 1976 (erstwhile AU PG Centre started in 1967) and was inaugurated by the then president of India His Excellency Fakhruddin Ali Ahmed. Acharya Nagarjuna University was established by the Act of 43 of 1976 of A.P State Legislature and Governed by Act 4 of 1991. The university is regarded as a pioneering institution in developing research scholars, post graduates as well as under graduates for well over 45 years in the state of Andhra Pradesh. Its aim is to remain connected academically, functioning in the state of AP and India. Also it has been striving hard to cater the educational needs of Guntur and Prakasam districts especially the rural students. University is "A" grade NAAC accredited University.

About ANU Ongole Campus

The Acharya Nagarjuna University Ongole campus was started by Prof. Y. Simhadri, the then Vice Chancellor of Acharya Nagarjuna University in the year 1993. The existing Acharya Nagarjuna University Ongole campus is upgraded as new University in the Prakasam district namely Andhra Kesari Tanguturi Prakasam University from the academic year 2019-20.

About the Seminar

Entrepreneurial sector has emerged as a highly vibrant and dynamic sector of the Indian economy over the last five decades. This sector contribute nearly 8 percent of the country's GDP, 45 percent of the manufacturing output and 40 percent of the exports. Entrepreneurship provides largest share of employment in India after agriculture. Slow

economic growth rate on the one hand and rapid growth of population on the other hand, has accentuated the problem of unemployment and poverty etc., in the country. Hence there is a need to put more efforts on Indian entrepreneurship.

Against this backdrop, this seminar is intended to provide platform to industry, academia, researchers, government and non-government organizations to share, present and discuss their ideas, thoughts and research results on this emerging and contemporary topic in order to explore the best practices and alternatives for entrepreneurship development among individuals and groups, which in turn lead to augment Indian economy.
