ADVANCES IN CLOUD COMPUTING

3rd – 4th February 2023
(10.00 AM to 5.00 PM)

Department of
Computer Science and Engineering
University College of Sciences,
Acharya Nagarjuna University,
Guntur – 522510
Andhra Pradesh

Acharya Nagarjuna University, a State University, established in 1976 has been constantly striving towards achieving progress and expansion during its existence for over four decades, in terms of introducing new courses in constituent University Colleges, affiliated UG and PG colleges and Professional colleges. Spread over about 300 acres of land on the National highway (NH-16) between Vijayawada and Guntur of Andhra Pradesh, the University is one of the fastest expanding Universities in the state of Andhra Pradesh.

With Campus student strength of over 5000, the University offers instruction for higher learning in 55 PG programs and guidance for the award of M.Phil. and Ph.D. in 48 disciplines spread over six campus colleges. It also offers 153 UG programs in 412 affiliated colleges in the regions of Guntur and Prakasham districts.

ABOUT CSE DEPARTMENT

The Department of Computer Science & Engineering was established in the year 1987 with the sponsorship of Department of Electronics, Government of India. The department has got several MOUs with different companies spread across India. The Department has been in the forefront of research and training activities. The most prominent areas of research include Cloud Computing, Artificial Intelligence and Machine Learning, Data Sciences and Big Data.

ABOUT THE WORKSHOP

Cloud Computing remains as a key driver, enabler for any of the emerging technologies like data sciences and IOT. Companies across the globe have recognized the importance and try to leverage their businesses on cloud as an ubiquitous technology. As a technology cloud is evolving into a more matured, reliable and dependable option for industry outside IT. The main objective of this workshop is to provide the faculty and the scholars with advances in Cloud Computing and to provide insight into the working of different cloud platforms that are available in industry.

Workshop Themes

- Cloud Computing – Academic and Industry
- Mathematical Tools for Cloud Computing
- Trends in Fog Computing
- Understanding of Microsoft Azure
- Amazon Web Services
- Big Data Cloud deployed application

**Registration Fee for Faculty and Research
Scholars Rs. 500/-**

Last Date for Registration : 30 – 01- 2023

The registration fee should be paid in favor of

Director, Two day national workshop
