Project Work

Guidelines for Project Work (12 Weeks' Duration) after 4th Semester of BBA.

The project work (Internship) is an integral part of the academic curriculum of BBA. It is an initiative to bridge the gap between knowledge and its application through a series of interventions that will enable students of BBA program to gain insights and exposure to the industry. The objective of conducting Internship (project work) at the end of 4th semester of the course is: To provide an opportunity for students to apply theoretical concepts in real life situations at the work place; to sensitize students to the nuances of corporate culture and familiarize them with the corporate code of behavior; to enable students to manage resources, work under deadlines, identify and carry out specific goal oriented tasks; to sharpen domain knowledge and provide cross functional skills

Guidelines: The student will have to identify an Internship (project work) in a business enterprise that matches the student's area of specialization. Internship (project work) is a combination of In-plant study and a research project. Students are expected to study the functioning of an organization, identify a problem area and provide suggestions to overcome the problems.

Duration of Project work: The project work shall be for a period of 12 weeks immediately after completion of 4th semester but before commencement of the 5th semester. Students are expected to take up the work, such as identifying the organization, finalization of topic and review of literature during the fourth semester and start the Internship (project work) immediately after this.

Project Guide: Internal guide of the Internship is a full time faculty member working in management department of respective institution with minimum of three years of experience. External guide is from the business organization where the student is carrying out his/her project work. Maximum of ten students can work under an internal guide. The students are expected to be in continuous interaction with the guide during the course of the Internship. No two students of an institute shall work on the same problem in the same organization.

The student will present Synopsis with the detailed execution plan to the internship committee (HOD, senior faculty of the Dept. of Management) who will review and may (a) approve, (b) approve with modification or (c) Reject for fresh synopsis. The approval status is submitted to HOD who will officially give concurrence for execution of the internship

Synopsis: It is a 3 page document/hard copy to be submitted to the HOD with the signatures of guide and the student (Introduction with objectives and summary, Review of articles/literature about the topic with source of information and methodology of the study)

Submission of report 12th week of internship final report should be submitted to the university before one week of the commencement of theory examination.

Evaluation: Internal Evaluation: Internal evaluation will be done by the internal guide. • External Evaluation: External evaluation shall be done by a faculty member (not below the rank of Associate Professor) drawn from Dept. of Commerce & Business Administration of the University.

Viva-voce/Presentation: A viva-voce examination will be conducted at the respective institution where student is expected to give a presentation of his/her work. The viva-voce examination will be conducted by the respective HOD / Sr. Professor of the department and an expert drawn from the University as appointed by the University.

Internship (Project) work carries 100 marks evaluation by the internal guide and external evaluation (average mark will be taken for award) and 100 marks for viva-voce examination.

Format of the Internship report: The internship report shall be prepared using word processor viz., MS word, using Times New Roman font sized 12, on a page layout of A4 size with 1” margin on 175 all sides and 1.5 line spacing. The internship report shall not exceed 75 pages.

Submission of report: Students should submit the internship report in electronic data form only, in PDF file (Un-editable format) to the Institute. Institute in turn shall submit all the CDs of their students along with a consolidated master list as per specialization containing USN, Name of the student and title of the report to Controller of Examination one week before the commencement of the theory examinations.
